SANDOON CAPTIVATOR

WINNING PAIR BY DIVIDE DEFENDER 2D
Defender's Choice and Heather Belle 10th S. F.

Welcome to the 3 in 1 Sale

Because in this joint sale we are offering you the top productions of three choice herds in one big major selling opportunity, we feel justifiably proud in inviting buyers to attend this auction.

The offer includes 14 bulls all ready for service and thirty-eight females containing 3 cows with calves at foot and 35 bred open heifers.

Always having used top sires we believe that our breeding herds had the proper background for the continued use of as good a bulls as we could buy. As a result, we honestly feel that we can offer you as much top breed in this sale as you can secure anywhere.

We are as proud as we can be of our present herd bulls.

SCOTSDALE BAREN, by Kirkton Baronet is a half-brother to the top bull at Perth in 1948. SCOTSDALE BALLAST, by O. A. C. Mayflower's Ransom, is a half-brother to the 1948 International Grand Champion bull Scotsdale Bombardier. SANDOON CAPTIVATOR, grand champion of the Canadian National, rates with leading cattlemen as one of the best bulls in the country today. He is a son of the noted Calrossie Harmony and his dam is the daughter of the famed Crugleton Perfect.

Again, we extend to everyone an invitation to be our guests on October 1st.

Divine Defender 2d, 2207765

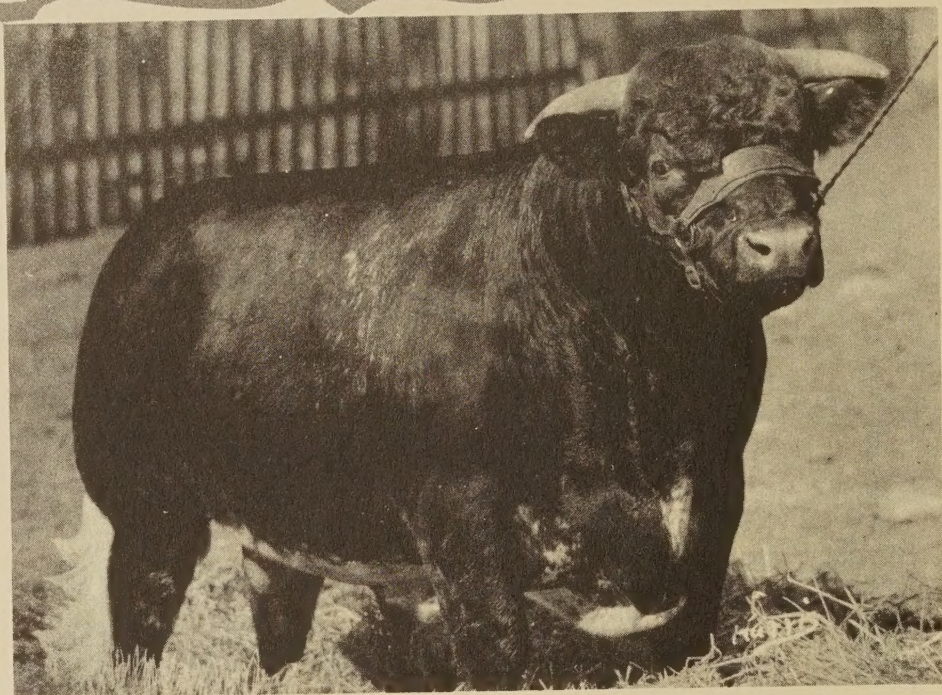

We purchased this Allen Cattle Company bred bull in the 1944 International Congress Sale at Chicago. He is the sire of 7 bulls and 16 females that sell in this sale. He is one of the most consistent sires of short-legged, blocky, dark colored Shorthorns that we have ever used. He is the son of the 1942 International Congress champion, Divide Defiance. His dam is a full sister to Divide Grand Duke, top selling bull of the 1941 International Congress Shorthorn Sale at Chicago. After using this bull as long as we could, we recently sold him to Leonard E. Carlson, at Lanyon, Iowa, to use on daughters of Morlunda Prince Peter.

Foundation For Solid Breeding

It is indeed a fortunate situation when three such strong herds as those represented in this sale can co-ordinate their breeding programs around the joint use of herd sires. This fact alone has, without doubt, made it possible for these three breeders to acquire more outstanding herd sires than any one of the three alone would have felt they dared to do alone. Such a program has naturally meant better Shorthorn productions for them. As a result, there isn't an animal in this sale that you wouldn't be proud to take home. It is your opportunity to purchase Shorthorns of a quality and calibre not usually offered. Their purchase by you will mean rich returns for years to come in your herd. It is good sound breeding that will serve for foundation, herd replacement or herd building purposes. Consider the females especially, any one of them could easily be carrying your next herd bull. The bulls they have been mated to, I believe you will agree, can and should sire the kind of cattle you like to produce. For sound consistent conformity to the ideal of economical beef production, I believe you can use some of these good cattle in your program.

SCOTSDALE BARON - Half-brother to the Top Bull At Perth in 1948. Yes, that's our Scotsdale Baron purchased in the 1948 Toronto Sale. Like Calrossie Pibroch, reserve champion and top selling bull of the 1948 Perth Show and Sale, he is sired by the famous Kirkton Baronet. His dam is Calrossie Clipper Jeanette by Lawton President Roosevelt. We sell 15 Heifers mated to him and 1 cow with calf at foot by him. (His first calves look sensational).
